

FOUNDER'S CPA

Building the future-proof
accounting firm of
tomorrow.

CLIENT TESTIMONIAL

"The team is extremely knowledgeable in all areas of Finance, Accounting, and Taxes. They are especially skilled in helping startup companies get off the ground in a sound and stable manner. The team is super responsive, flexible, and available to help and guide. Above all, they are pleasant, humble and down to earth knowledgeable bunch of folks and it has been a pleasure working with all of them."

RISHI POTDAR, CFO
K4 MOBILITY

PEOPLE

"Don't be afraid to ask questions! Anyone at FCPA is happy to help out."

-Megan Westcott, Sr. Manager

PROCESS

"We embrace our core values and look for ways to add value. You don't have to stick with a process because "that's how it has been done."

-Colin Burton, Manager

PLATFORMS

"We work with a variety of platforms that allow us to automate and integrate our processes. We use these systems to meet the specific needs of our clients and do so as efficiently as possible."

-Chris Arlinghaus, Sr. Manager

Our Competitive Advantage

We Believe in Talent Density

At Founder's CPA, we hire the best candidates with the most talent. To us, **high-quality** talent wins over filling an opening on our team. You will join top performers in public accounting with a variety of backgrounds and expertise, but all grounded in providing top-tier client service and innovative solutions and making one another better professionals.
